

TECH FOR TECH!

Have any old technology you need to toss? Send it to ALIVE!

Your devices will fund our purchase of new computers so we can keep serving survivors of Domestic Violence.

We Accept:

- phones
- smart watches
- tablets
- gaming consoles
- laptops
- cameras

The company we send the device to guarantees they wipe information off all devices. However, if possible, **we recommend you unlock the iCloud**, remove the phone lock, and uninstall any apps that might contain financial information.
